Scope

VERTEBRATE ZOOLOGY (formerly *Zoologische Abhandlungen*) is a scientific journal published by the Museum of Zoology Dresden, Germany. The official website of the journal is at www.senckenberg.de/vertebrate-zoology. Research fields covered by VERTEBRATE ZOOLOGY are the systematics, taxonomy, phylogenetics, genetics, morphology/anatomy, ecology, biogeography, faunistics, and palaeontology of Vertebrates.

We ask authors to carefully follow the "Instructions for authors", available online at the journal's website. All manuscripts will be reviewed by two referees. Manuscripts and all related correspondence should preferably be sent by email to axel.zarske@senckenberg.de or on a digital medium by normal mail to one of the editor at the Museum of Zoology Dresden.
