

Genomic Basis of Climate Adaptation Symposium 2018

<u>day 1</u>		<u>day 2</u>	
		Do, 18.1.2018	
	Mi, 17.1.2018		
08:30	Registration	09:00	
09:00	Welcome adress	09:30	keynote lecture 2
09:30	keynote lecture 1	10:00	Alan O. Bergland, University of Virginia (USA)
10:00	Outi Savolainen, University of Oulu (FIN)		
	Coffee break		Coffee break
10:30		10:30	
SESSION 1 gradients and extreme environments	11:00	Karl Schmid, University of Hohenheim (D)	SESSION 3 climate adaptation in insects
	11:20	Francesco Dal Grande, Senckenberg (D)	
	11:50	Thomas Mock, University of East Anglia (UK)	
	12:10	Nathan Kenny, Natural History Museum London (UK)	
	Lunch break		Lunch break
13:30		13:30	
SESSION 2 mechanisms of adaptation	14:00	Christian Rellstab, WSL Zürich (CH)	SESSION 4 concepts and new approaches
	14:20	Moises Exposito-Alonso, MPI Tübingen (D)	
	14:40	Maxim Kapralov, Newcastle University (UK)	
	15:00	Stefan Laurent, MPI Cologne (D)	
	Coffee break		Coffee break
15:30		15:10	
POSTER SESSION	16:00	Alfredo Garcia, Shira Penner, Imke Schmitt, Isabelle Kramer, Meklit Asefa Gebre, Jan-Peter George, Alice Dennis, Noemí López-González, Jean-François Flot, Maike Herrmann, Dorte Janussen	SESSION 5 transcriptomic approaches
18:00		15:30	Eva Koch, University of Zurich (CH)
	Break	15:50	Janne Swaegers, Freie Universität Berlin (D)
19:00		16:10	Felicitas Hoppeler-Erzinger, Senckenberg (D)
	Symposium Dinner in the Museum	16:30	Jonathon Stillman, UC Berkeley and San Francisco State University, USA
21:30			End of symposium
22:30	guided night tours Senckenberg Museum
